**Outdoor Music Concert with Ted Lambert, Tony Washburn and Debbie Yacovone,** August 4th, 6 P.M. at the home of Sue Moore. Register [HERE](#) or call 802-585-1233.

#### *Anthony 'Tony' Washburn*

Tony realized he had a gift for music when he learned harmonica at 13-14 years old. Tony's neighbor loaned him a guitar but Tony is left handed. The neighbor insisted that as long as he had to learn, he should learn to play right handed because back then left hand guitars were a rarity. Tony learned the 'right' way. He played guitar, fiddle and sang in local bands until joining the Air Force. He played in dance halls and cabarets in Tennessee during his four years in the service. His day job has been a carpenter, an auto mechanic, a body shop technician, a high school industrial arts instructor and an industrial arts instructor at the Vermont Dept. of Corrections where he retired in his mid 70's. Throughout all that time he has been a fixture at many night clubs, dance halls, weddings, anniversary partys playing and singing almost every weekend. His life work now is to play backup mandolin and make Ted sound good. Tony turns 87 yrs old in June.

#### *Ted Lambert jr.*

Ted didn't take up the guitar / public singing until his early 40's. Tony and Ted's brother Don, who played Atkins style guitar and sang, helped Ted along with guitar chords and voice phrasing. Ted has almost no stage fright now and doesn't panic until he sees the audience out front. Since Tony's retirement he and Ted have been volunteering their music at various

nursing homes and public venues. They get together to jam with other musicians whenever they can. Ted is younger than Tony.

*Debbie Yacovone*

Debbie has been playing the guitar since she was twelve years old! She loves to sing Americana and folk songs. She has been bringing music to long term care homes for many years, and it's her favorite thing to do! She picked up the Autoharp about 15 years ago and tries to channel Mother Maybelle Carter! She lives in Morrisville with her husband, Dave and she gets great inspiration from him and their two sons, Seth and Evan!

Carrie Cook and D. Davis gave us a fabulous concert on June 29th. As they played, a double rainbow was overhead.

## Rhubarb Crisp by Mark Bittman, NYT

6 tablespoons cold butter, cut into small pieces, plus more for greasing pan  
 2 ½ to 3 pounds rhubarb, trimmed, tough strings removed, and cut into 1 1/2-inch pieces (about 5 to 6 cups)  
 ¼ cup white sugar  
 1 tablespoon orange or lemon juice  
 1 teaspoon orange or lemon zest  
 ¾ cup brown sugar  
 ½ cup all-purpose flour  
 ½ teaspoon cinnamon, or to taste  
 Pinch salt  
 ½ cup rolled oats  
 ½ cup pecans

1. Heat oven to 375 degrees. Grease an 8- or 9-inch square baking or gratin dish with a little butter. Toss rhubarb with white sugar, orange or lemon juice and zest, and spread in baking dish.
2. Put the 6 tablespoons butter in a food processor along with brown sugar, flour, cinnamon and salt, and pulse for about 20 or 30 seconds, until it looks like small peas and just begins to clump together. Add oats and pecans and pulse just a few times to combine.
3. Crumble the topping over rhubarb and bake until golden and beginning to brown, 45 to 50 minutes.

**A reminder to volunteers:** If you drive a member to an event you are welcome to join the activity. In fact, we'd love to see you!

We've had a busy June with 31 services, so a big shout out to all our volunteers and to Bonnie who makes sure it all happens smoothly.

We are growing. We currently have 56 members and 51 volunteers. Transportation is one of our biggest needs, and we could use more drivers. If you know anyone who would be interested, let them know about Lamoille Neighbors. Of course, there is no fee to be a volunteer!
